

DELAY NOTICE

EXERCISE OF ELECTORS RIGHTS

HARTSHILL PARISH COUNCIL

Each year the annual accounts are audited by an external auditor and any interested person has the opportunity to inspect them for 20 working days from the issue of Notice of Audit for the Exercise of Public Rights.

For the year ended March 31st 2020, in line with COVID-19 emergency lockdown restrictions, the Responsible Financial Officer has been able to complete the statement of accounts and annual return, however there will be a delay in any interested party having the opportunity to inspect.

The council have met remotely to approve the accounts at its May remote meeting. Following the external auditor will issue a Notice of Audit for the Exercise of public rights.
